FROM

To

THE ~~GENERAL~~ SECRETARY TO THE
GOVERNMENT OF MYSORE,
General and Revenue Departments.

SIR,

I have the honor to bring to the notice of Government that a sum of Rs. 50000/- was allotted for Police Buildings for the year 1895-96. The major portion of this grant being required for the incomplete works of the previous year, the Chief Engineer placed at my disposal the balance available viz Rs. 3941 which was appropriated for the works noted below.

1. ~~For the~~ construction of a Police station and lines at Bannur Rs. 1207.
2. Construction of an out-post at Ourlahalli, Chitaldroog District Rs. 220.
3. do - Gadimakunte ——— Rs. 220.
4. do - of Police station and lines at Tyrpur, Kunsi Sub-taluk Rs. 1000/-
5. do - Police station and lines at Sacrehatna, Kadur District Rs. 1000/-

There remains a balance of Rs. 294. This amount has been set apart as a contribution towards the cost of sinking 2 wells at Indavalli and Bilvani Kanaves in the Shimoga District, a moiety of the cost being borne by the local funds.

2.

2 The Executive Engineer, Kolar Division, has now sent up plan and Estimate herewith forwarded amounting to Rs. 1906 for Constructing a 1st class Police station at Marikoppam in the Kolar Gold Fields. This work is most urgently needed in the Gold Mining interests. The growing importance of the industry demands that suitable accommodation should be provided for the Police who have to deal with a miscellaneous population, and as the matter does not admit of postponement till the next year, I would recommend that the construction of the station at Marikoppam may be sanctioned as an addition to the Police grant for this year.
